PROFESSIONAL SUMMARY

I hold a Bachelor of Social Work and have 13 years' experience as an HIV/AIDS Youth Advocate and 1 year experience as a Student Social Worker. My experience includes facilitating support groups, mobilising adolescents groups and communities to partake in HIV/AIDS related events and campaigns and collaborating with various sources in youth development and HIV prevention methods. My core competencies include but are not limited to facilitating support groups, public speaking, case planning, case management and leading community work projects.
