

Silelo Wilfred Sioga

Bio

I am a young Venda man who had the privilege of attending a private school as a result of a scholarship. I am an enthusiastic, self-motivated, reliable, responsible, and hard-working person. I studied for Diploma in Biotechnology at the Tshwane University of Technology. I am a mature team worker and adaptable to all challenging situations. I work well in team environment, and I can also work well alone using my own initiative to adhere to given deadlines. The food processing industry has always fascinated me and that is the area of Biotechnology that I am most interested in.
